

WT-A: January 12-14

Whether it's physical, mental, emotional, or intellectual, teenagers experience many changes during this transformative time in their lives.

Influences could include friendships, maturation, education, and authority.

More significant, though, are the changes in their spirituality. When faced with change, there are good and bad choices to be made. God wants teenagers to choose the best change for their lives!

Winter Thaw 2018 will focus on transforming teens to become the best God has for them and their future. Join other teens facing these same challenges for a winter weekend youth retreat in the Pocono Mountains of Pennsylvania. Come to experience camp fun, worship, friends, Bible study, and Christ's transforming love and grace.

Warning: teens will return different from when they arrive!

RETREAT SPEAKER

JIM EHRMAN

Currently the Dean of Academic Programs at Evangelical Seminary, Jim's resume includes stints as Executive Director for Love146 and the World Christianity Initiative, and Director of Global Ministries for the EC Church. He believes that Christianity is most true to itself when involved in the risky business of cultural engagement, which guides his career in ministry.
