

FEBRUARY 13-15, 2026 (WEEK B)

winter thaw youth weekend '26

As winter thaws and gives way to spring and new life, a relationship with Jesus Christ changes lives into new creations. This wintertime retreat for your youth group encourages people to consider Christ's transformative love and grace, through Bible study, worship, fellowship, and fun!

Take part in this life-changing weekend in the Pocono Mountains of Pennsylvania! All you need to do is bring your youth group / small group. Twin Pines will take care of the rest! Leaders get to spend time building relationships with teens. From a faith-challenging speaker, to an energetic worship band, this weekend will change teen's lives!

ZACK ORTMAN has committed his career to mentoring and empowering the next generation. A gifted communicator, Zack's message of faith and truth has resonated in diverse settings, from local churches and schools across Northeast Pennsylvania to international audiences in Buff Bay, Jamaica.

Beyond his ministry, Zack is a small business owner, a devoted husband and a father to their two sons. When he isn't speaking, he can be found enjoying the outdoors with his family, whether hunting, fishing, or gathered around a campfire. Zack is driven by a central passion: to articulate the truth of God's Word and share it in every sphere of his life.
